

100 Years of VINTAGE COSTUME JEWELRY

Get ready for a presentation devoted to the hardest working accessory in fashion: jewelry!

- An overview of design themes from the 1880s-1980s
- Beyond the look: what materials say about your jewelry. An in-depth look at different metals, stones (cuts and varieties), and types of closures
- A word about plastics. Learn how to identify bakelite, lucite, and celluloid with an interactive presentation.
- The three C's: collecting, cleaning, and caring. Our top, expert tips
- Q&A

Wednesday, November 5, 6-7:30 PM

Faulk Central Library
