

IDENTITY THEFT PREVENTION

David Broker, a retired IT trainer and educator, and former identity theft victim, will present a free seminar that helps attendees learn how to avoid future identity theft and recognize the signs that they may already be an unsuspecting victim.

In addition, a significant amount of time is dedicated to helping attendees identify the latest phishing and internet scams before thieves can steal their money or identity.

Sunday, February 16, 2-3 PM

Faulk Central Library
