

LEARN ABOUT TREE CARE AND COMPOSTING

Adelphi Acre Community Garden & the Milwood Branch of the Austin Public Library are proud to present **TWO FREE CLASSES**

ATTEND ONE OR BOTH
AT THE MILWOOD BRANCH, 12500 AMHERST DRIVE

Thursday, August 21st at
7 - 8:30PM

Tree Selection & Care and Free Tree sign up

Taught by Greg Mast, Community Forester, Tree Folks

Did you know that TreeFolks provides free trees to help you save energy at home? TreeFolks operates the NeighborWoods program, providing free trees to Austin Energy customers.

Greg will talk about tree selection & care, and take orders for FREE trees to be delivered this fall. Also learn about upcoming volunteer tree planting events.

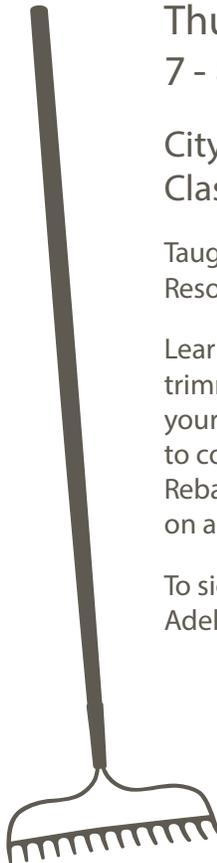

Thursday, September 11th at
7 - 8PM

City of Austin Compost Challenge Class

Taught by S.K. Rosina Newton, Austin Resource Recovery

Learn how to compost food scraps & yard trimmings into nutrient-rich fertilizer for your garden or lawn and get one step closer to completing Austin's Home Composting Rebate Challenge. You could save up to \$75 on a home composting system!

To sign up visit www.Facebook.com/AdelphiAcre or via email dtye@austin.rr.com
