Hampton Branch at Oak Hill Renovation

July 21, 2015, 7:00PM

AUSTIN PUBLIC LIBRARY

- The Austin Public Library is key to making Austin a dynamic creative center and the most livable city in the country.
- We are committed to providing easy access to books and information for all ages, through responsive professionals, engaging programs, and state of the art technology in a safe and friendly environment.
- The Austin Public Library will assure that all citizens of Austin have equal access to library services and programs.
- The Austin Public Library values diversity and is dedicated to celebrating an organizational culture that respects, understands, honors and welcomes all members of the staff and community.

VOTERS APPROVE 2012 BOND PROPOSITION

In November 2012, voters approved six of the City of Austin bond propositions totaling nearly \$307 million. As part of the development of the bond propositions in the year leading up to the election, a citizen Bond Election Advisory Task Force, City Council and the Community set expectations for the types of projects and programs to be delivered upon voter approval.

- Supports the maintenance of existing City infrastructure and facilities
- Make investments in new initiatives that reflect the priorities of the Imagine Austin Comprehensive Plan
- NO increase in property tax rate
- Implement projects city-wide

HAMPTON BRANCH AT OAK HILL - FUTURE EXPANSION

STRATEGIC MASTER PLAN

- **OAK HILL SITE RECOMMENDED AS 1 OF 4 RESOURCE LIBRARIES**
- **EXISTING 8,580 SF INCREASED TO 30,000 SF**
- **PUBLIC WORKS ESTIMATED COST: \$16M (preliminary estimate)**

RESOURCE LIBRARIES

...shall be approximately 30,000 SF each located in each quadrant of the City to bridge and support existing branch libraries. Resource Libraries will augment public services and will serve as administrative and staff support centers, linking clusters of branches in each area of the City. These facilities will provide expanded collections, additional services and meeting room spaces for the public. In addition, the Resource library facilities will provide workspace for staff in the areas of reference, youth services and information technology.
