People's Gallery 2024

Austin thrives on the creativity and talents of its visual artists, whose work makes our city a unique, dynamic center for the arts as well as a vibrant, interesting place to live. So we're incredibly proud to showcase their talents in the People's Gallery, which spans three floors of Austin City Hall. Our artists bring beauty and color and insight to our shared public space, giving all of us a reason to slow down, think a little, and appreciate their work. The fact that it's in our seat of government means we also get to appreciate it all as a community – together.

This exhibition invites public engagement, encourages the enjoyment of visual art, and supports our local arts community. Remember, anyone can become a collector—many of the pieces are for sale, with all proceeds going directly to the artists. We invite you to explore the exhibition and encourage our family, friends and Austin visitors to do the same. By supporting local artists, you're helping sustain the vibrant creative spirit that defines Austin.

Sincerely,

A handwritten signature in black ink that reads "Kirk Watson". The signature is fluid and cursive, with the first name "Kirk" and last name "Watson" clearly distinguishable.

CELEBRATING THE VISUAL ARTS & ARTISTS

The Austin Public Library (APL) is pleased to announce the 2024-2026 cycle of the People's Gallery exhibition at Austin City Hall

Located on the first three floors of City Hall, the People's Gallery is part of an ongoing Exhibition Series to showcase local and regional artistic endeavors and to encourage public dialogue, understanding, and enjoyment of visual art. The People's Gallery celebrates the creativity and diversity of Austin, and promotes awareness of the communities and cultures that define our city.

A diverse panel of three local visual arts professionals served as the jury this year: Lisa Woods, Joanna Gutt-Lehr and Mario Villanueva.

The exhibition was managed and designed by Exhibit Coordinator, Christine Angelone

Thank you to all the artists, galleries and collectors who generously loan their art.

EXHIBITION HOURS

The 2024 exhibition will be on display from October, 2024 through May, 2026. Visitors can view the art in the 1st floor atrium during regular business hours, Monday– Friday, 8a.m.–6p.m.

Viewing of the exhibition in its entirety will be by guided tour only, times to be determined by City staff.

FEATURED THIS YEAR

The 2024 exhibition includes a special selection of Imagine Art and Artly World.

Imagine Art

Imagine Art is a local nonprofit whose mission is to leverage art and place, empowering artists with disabilities who become creative catalysts for changing systems of day habitation, long-term care, peer support, and affordable housing.

Artly World

This collection is a selection of pieces created by seniors enrolled in Artly World's Senior Smiles program, an initiative that supports the social and emotional well-being of seniors in Austin through community and arts activities. For this project, the senior artists were encouraged to explore their creativity and express themselves through acrylic paint using only unconventional tools, such as potato mashers, drill bits, meat tenderizers, sponges, and other items not typically used for painting.

SUPPORT AUSTIN ARTISTS

Many of the works in the exhibition are for sale by the artists. Pricing and contact information are included in this gallery guide, which may be found in the first floor lobby. Sales are transacted directly through the artists or representing gallery.

To receive information about future calls for entries, please call 512.974.7379, email lib.exhibits@austintexas.gov, sign up for the Gallery at Central Library newsletter, or visit library.austintexas.gov/peoples @austinpubliclibrary on Instagram
