## Playing Together

### Ideas for Playing with your child

- Create a box full of objects and containers - use old tins and boxes to encourage creative play
- Draw and discuss from the past - child to play with - one of the best free toys of the planet!
- Make one year - child has plenty of time and space for different kinds of play - from running and jumping to sitting quietly while listening or reading.

### Resources for Playing with Children

- Check out the [Academy of Learning](#) - a free online resource for parents about playing
- Learn what your baby is learning during playtime with [Zero to Three](#)
- Discover the [Play Lab](#) - a website full of practical activities to help you find new ideas to play
- Learn why Play is more than just a pastime from the [British Council](#)
